biogründl, s.l., *a company located in Barcelona, whose activity is R+D+i and production in the field of active and auxiliary substances which are completely new for cosmetic industry.*

biogründl, s.l. *was founded in 2002 being supported by a great human team with large technical and commercial experience.*

biogründl, s.l. *is filling the gap in the area of cosmetic and dermatologic active substances, which was mainly the field for great sized companies engaged in the commercialization of many products involved in several fields of the chemical industry. Opposite to this concept,* **biogründl, s.l.** *has to do exclusively with substances destined to Cosmetology and Dermatology.*

biogründl, s.l. *has acquired in 2012 ten Ha of land,* **biogründl station**, *in Tarragona (Spain), which is used to ecological plantation to obtain their own vegetable actives. This way,* **biogründl, s.l.** *ensures the origin and the obtaining of such actives.*

Its market strategy is based on the following concepts:

- *Contribution of new concepts in formulations to satisfy the proactive demands of Cosmetics.*
- *Fast and dynamic response to customers' need with the corresponding personal assistance.*
- **biogründl, s.l.** *facilities are equipped with the most recent innovations. The highly qualified staff gives the adequate solution to the technical and commercial strategy of the company.*
- **biogründl, s.l.** *offers a great range of highly specialized active and auxiliary substances.*
